The Latinos of Asia: How Filipino Americans Break the Rules of Race

**Friday, Oct. 14, 10:30–11:45
Crawford Hall 105**

**Presentation and Book Signing
Anthony Ocampo, Cal Poly Pomona**

Is race only about the color of your skin? Anthony Christian Ocampo shows that what "color" you are depends largely on your social context. Filipino Americans, for example, helped establish the Asian American movement and are classified by the U.S. Census as Asian. But the legacy of Spanish colonialism in the Philippines means that they share many cultural characteristics with Latinos, such as last names, religion, and language.

Books will be available for purchase at the event
